New board members were discussed, one from a municipality and one at large board member. Linda reached out to all current board members to confirm they would like to remain and have their new 2-year term begin in January of 2023. All current board members agreed they would like to remain. The roster was submitted to Levy Court on October 18<sup>th</sup>. A budget for 2023 was to the board. Motion to accept the budget for FY23 made by Denis McGlynn, seconded by Dina Vendetti, and all were in favor.

### **Business Developer's Report- Zach Prebula**

Zach discussed that he made it to the interview stages of Leadership Delaware and his interview is tonight. Zach has completed two BRE site visits since the last board meeting. Other items discussed were volunteering at the Governor's Career Expo, touring Polytech's Adult Education and connecting with Jeremy McEntire, attending the ICSC@MID-Atlantic with Jeremy Rothwell, compiling site selector forums and trainings list for 2023, keeping connections with site selectors and developers from events attended, and KEP is hoping to have a site selector evaluate us on our site knowledge and access to information in the near future.

### **Executive Director's Report – Linda Parkowski**

Items discussed were CDF Meeting to support Smyrna and Duck Creek, CDF Meeting to support Lafferty Lane project, Dover Master plan, Rail Study, MPO projects for 23, Smyrna and Milford Quarterly, Large Project need wastewater, Dover AFB Land Use Committee, East West Freight, Del Tech Econ Summit, Mary Ellen Gray, Garrison Oak with Site Selector, Board slate to KCLC, Tech Expo, Eagle Group BRE, Food Bank, Met with Paul Hertz and Robert Scott, Workforce Development Meetings, DPP planning session, Tour sewer plant, Milford Rail Discussion, KCLC Zoning updates, DSCC Developing DE Conference, and 35 Projects in our pipeline.

### **Governor's Office: Infrastructure Implementation Coordinator- Greg Patterson**

Greg Patterson described his role of Infrastructure Implementation Coordinator for the Governor's Office. Greg also discussed numerous projects from the Infrastructure Bill passed last year that were taking place within Kent County. These projects are transportation- mainly roads and bridges, reconstruction of the Dover Kenton Road. The flooding in the South Bowers Road will be addressed. Delaware applied for a competitive process for funds to start the West Camden Bypass- did not get selected, but there are 5 years of availability and will be applying again. There is a lot of money in transit with transitioning the transit fleet to Hydrogen and electric buses. Water projects focusing on lead service lines for either replacing or surveying all lead service lines. Dover will be getting a new water line replacement. Magnolia will be getting a new water main project, storage tank and well. Clayton is getting a sewer rehab project. After projects through the Infrastructure Bill were discussed, Ready in 6 was discussed.
